ITRC Lifetime Achievement Award

Policy

ITRC's Lifetime Achievement Award is presented to an individual who has demonstrated exceptional dedication to ITRC's mission of advancing innovative environmental solutions. The awardee must have contributed significantly to both the mission of ITRC and the organization they represent. The purpose of the award is to recognize one individual each year who exhibits the criteria discussed below.

Evaluation Criteria

Lifetime Achievement Award (LAA) Committee members will take the following criteria into consideration:

- Current or former ITRC member (i.e. served as a Team Leader, POC, Board Member, Trainer, Team Member)
- Outstanding contributions to ITRC, the organization they represent, and the field of environmental technologies
- Length of ITRC membership and overall impact of leadership on the organization
- Exemplary efforts to grow membership, increase member involvement, and strengthen ITRC's relationships with external entities
- Individual who has contributed a significant number of years of dedicated service to the field of environmental technologies

Nomination and Selection Process

The LAA Committee members will review criteria and solicit nominations from all current members.

- The nominations will be returned to the ITRC Director no later than March 1, 2017 for consolidation and submission to the LAA Committee.
- All Nominees will be listed on the ITRC website.
- LAA Committee members will screen the complete list of nominations and select the awardee no later than March 6, 2017.
- The awardee will be notified immediately after selection and invited to attend the Annual Meeting in New Orleans, where the awardee will be honored during the Reception.
- All Nominees will be listed on the Annual Meeting on the ITRC website.
