

# 2021 Industry Affiliates Program

Establish your organization as a key force in improving the use of innovative environmental technologies and processes.

## About ITRC

The Interstate Technology and Regulatory Council (ITRC) is a state-led coalition of regulators, industry experts, stakeholders, academia, and federal partners that work to achieve regulatory acceptance of innovative environmental technologies. ITRC is working to break down barriers and reduce compliance costs, making it easier to use new technologies and helping to maximize resources. Bringing together a diverse mix of environmental experts, ITRC seeks to broaden and deepen technical knowledge and advance the regulatory acceptance of environmental technologies. Together, we're building the environmental community's ability to expedite quality decision making, while protecting human health and the environment.

## Industry Affiliates Program

ITRC welcomes you to its Industry Affiliates Program (IAP). Establish your organization as a key force in improving the use of innovative environmental technologies and processes:

**Information exchange** on the development and deployment of innovative environmental technologies

**Participation** in ITRC technical teams that produce technical regulatory guidance documents and training resources

Joining IAP allows your organization to:

- \* Participate in the development of uniform national guidance and standards
- \* Co-author guidance documents and fact sheets
- \* Participate in training development and delivery
- \* Anticipate important technical and regulatory developments
- \* Engage with state and federal regulators
- \* Network with subject matter experts
- \* Gain exposure in the environmental industry

## Additional Benefits

**Platinum Member:** Large logo/acknowledgment on ITRC signs at meetings & website; two free classroom training registrations; and free registration and exhibit space at our annual meeting

**Gold Member:** Large logo/acknowledgment on ITRC signs at meetings & website; 25% discount on classroom training registration; and free registration for all employees at our annual meeting
