ITRC 2020 Impact Award

Award Overview

ITRC's Impact Award is presented to an individual who has made the greatest impact to ITRC's mission of advancing innovative environmental solutions. This award recognizes a member who has demonstrated efforts beyond that of a traditional ITRC membership role, pushing the organization forward as a whole throughout 2020. This award honors a member who clearly embodies the values and mission of ITRC, working above and beyond to promote a culture of inclusivity, innovation and excellence which can be felt throughout the entire organization.

Evaluation Criteria

2020 Impact Award Committee members will take the following criteria into consideration:

- Individual demonstrated leadership within the organization (*i.e., served as a POC, Board Member, Trainer, Team Leader or Team Subgroup Lead*)
- Outstanding contributions to the ITRC, creating a lasting impact seen within the organization and beyond, through presentations, document development, trainings, and innovation in environmental products
- Individual has demonstrated efforts of inclusivity and consensus-driven work, reflecting ITRC's core values and mission, and proving an exemplary reflection of ITRC's Code of Conduct
- Individual has created or helped create innovative solutions, exceeding traditional responsibilities or roles in ITRC membership

Nomination and Selection Process

The 2020 Impact Award Committee, made up of a diverse representation of ITRC board members, will review nominations and select the recipient.

- The nominations will be returned to the ITRC Director no later than March 1, 2021 for consolidation and submission to the Committee.
- All Nominees will be listed on the ITRC website.
- Committee members will screen the complete list of nominations and select the awardee no later than March 15, 2021.
- The awardee will be notified immediately after selection and invited to attend ITRC's Virtual Spring Meeting, where the recipient will be honored with a short presentation of their accomplishments.
