Project Teams

Project Teams are the heart of ITRC and bring together members with diverse expertise to fulfill our mission by developing products that address environmental challenges.

Joining ITRC

Membership

ITRC members are part of a global network of environmental professionals representing government agencies, private industry, academia, & public stakeholders.

Industry Affiliates Program

Provides opportunities for private sector companies, trade associations, and their employees to participate on active ITRC project and training teams.

State Engagement Program

The SEP ensures that ITRC meets states' needs & that our resources are available, promoted & used by state government employees. Each state assigns a staff person from its environmental agency to serve as an ITRC Point of Contact.
