

Interstate Technology & Regulatory Council

Overcoming barriers and promoting the use of innovative environmental technologies for faster, more effective environmental decision-making

Member Benefits

ESTABLISH CONNECTIONS

Collaborate with environmental professionals & increase knowledge with other environmental program leaders

INCREASE PROJECT EFFICIENCY

Access ITRC products and services to increase efficiency, value, and acceptance on managed projects.

EDUCATE & TRAIN ON ENVIRONMENTAL TOPICS

Co-author new documents & trainings to help environmental professionals learn new technologies & solutions

Our Work

Documents

- Technical overviews, case studies, and technical & regulatory documents

Free Training Courses

- Exchange of technical and regulatory information based on the content of our guidance

Joining ITRC

Membership

ITRC public members are part of a global network of environmental professionals representing government agencies, private industry, academia, & public stakeholders.

IAP Membership

Private sector companies & associations must register & pay dues to join the IAP. Once approved, IAP members are granted access to all of ITRC's Programs & products, and can participate in ITRC's Project Teams.

Project Teams

Project Teams are the heart of ITRC and bring together members with diverse expertise to fulfill our mission by developing products that address environmental challenges.
